FIRE BRIGADE PLAN FOR 1919 PROTECTION

Chief Alsard Remains Head of Strong Organization

The Kelowna Volunteer Fire Brigade held their regular annual meeting on Monday, 20th January, for the purpose of receiving financial statement and reports, and for the election of officers for 1919. During the year, which ended January 20, 1919, the Brigade held forty meetings, with an average attendance of 11.95. This figure is considerable lower than the average had been in past years, but is accounted for chiefly through the requirements of the Military Service Act, and to a certain extent through the shortage of labor during the busy season when all members were working to the limit of their ability.

During the twelve months, there were eleven alarms turned in—one being a false alarm. There was an estimated loss of \$3,010.00, the greater part of which was covered by insurance. Altogether 5,650 feet of hose was laid, being an average of 565 ft. per fire.

The election of officers for the coming year resulted as follows: Chief, M. A. Alsard, re-elected. Deputy-Chief, J. Pettigrew, re-elected.

Sec.-Treas., J. M. Jennens, in place of J. W. B. Browne, retired. Directors, F. N. Buckland, re-elected; R. Mathie, in place of E. Graham retired.

Last Monday, the Brigade met to complete the election of the officers which resulted as follows:

Captain, No. 1 Co.—H. Glenn. Captain, No. 2 Co.—W. Kirkby. Lieutenant, No. 1 Co.—H. Welsh. Lieutenant, No. 2 Co.—D. Chapman.

Mr. D. Crowley was appointed auditor for the year 1919.

ANNUAL VESTRY MEETING OF ANGLICAN CHURCH

Mr. G. A. Fisher Re-Elected as People's Warden

The annual general vestry meeting of St. Michael and All Angels' parish was held in the Parish Room on Monday, at 8 o'clock p.m. The rector, Archdeacon T. Greene, presided. In his report, he referred to the active co-operation of the church committee, with special mention of Mr. Fisher's work as people's warden. He gratefully acknowledged the generous support given to the parish funds by the senior and junior branches of the W. A. and the Chancel Guild. The choir, vested in cassocks and surplices and occupying the new choir stalls, given as a memorial to Capt. A. Temple, was adding to the dignity and beauty of the service. During the absence of Miss Edgell on her holidays, Mrs. Bent, who was on a visit here, was kindly taking charge of the organ and choir. The Sunday School, though the attendance was much affected by the summer holidays, fruit picking and the influenza epidemic, was again making good progress under the able superintendence of Mr. J. R. Beale, who, in his report, had asked for additional teachers.

Mr. Fisher's report showed improvement in various branches, the debts to the saw-mill and the Bank of Montreal were being steadily reduced, and altogether he was hopeful as regards the coming year. He reported a balance in hand from current expenses.

The meeting thence proceeded to the election of officers for the coming year. Lay delegates to the synod: Messrs. L. E. Taylor, F. A. Taylor, G. C. R. Harvey; substitutes: Messrs. F. W. Groves, G. A. Fisher, J. R. Beale. The rector appointed Mr. F. W. Groves as his warden; Mr. G. A. Fisher was unanimously elected people's warden. Church committee: Messrs. A. A. Ballard, F. A. Taylor, L. E. Taylor, A. Whiffin, H. Waldron, G. C. R. Harvey, Grote Stirling, J. Ablett, A. Poole.

Votes of thanks were heartily and unanimously accorded to the retiring wardens and church committee, to the committee of the Rutland Presbyterian congregation for the use of their church; the W. A. and Chancel Guild, the organist and choir, and Mr. Whiffin for the continued use of his pipe organ. The rector then pronounced the blessing and thus brought a very successful meeting to a close.

Hospital's Finances Show Big Improvement

President's Report Tells of Satisfactory Year's Work

At the Annual General Meeting of the Kelowna Hospital Society, held last Friday afternoon in the Board of Trade Rooms, President D. Leckie presented the directors' report as follows:

At this time when the last acts in the great war are being performed special pleasure is felt by your directors in placing before you their annual report and financial statement covering the past year.

After the fact that the services rendered at the Hospital have been satisfactory, our chief cause for congratulation lies in that part of the financial statement which says that revenue over expenditure amounted to \$1516.13, and although this amount is more than absorbed by the amount written off, viz: \$1,790.45, covering depreciation on linen, furniture and buildings, etc., also covering uncollectable accounts carried from former years as assets, and now written off, we feel that from a financial standpoint also the past year has been satisfactory. The difference between the two above-named amounts, viz: \$208.02, appears in balance sheet as a deficit. During the year, \$500.00 has been paid on the mortgage of \$2,500, leaving a balance on mortgage account of \$2,000.00. You will notice that cash on hand and in bank amounts to \$1,199.58, while our current liabilities (December accounts) amount to \$882.94. Your directors have refrained as much as possible from writing off patients' accounts—some of them of long standing, as we believe that in the better times which appear now to be about due, most of the decent delinquent patients will desire to pay their bills for treatment at an institution of this kind.

We regret that there are some delinquents who appear to be able to pay, and who should be made to pay. If this were done this Hospital could more nearly carry itself and consequently would not require to depend so much, as at present, upon charitable contributions.

The following information will be interesting to friends of the Hospital:

Number of Patient Days in 1917, 2,396; in 1918, 3,357.

Cost per Patient Day in 1917, \$3.00; in 1918, \$2.32.

Number of Patients treated in 1917, 170; in 1918, 250.

Amount of government grant in 1917, \$1,977.26; in 1918, \$2,678.88.

Amount of City grant in 1917 (being amount of light and water account), \$317.18; in 1918, \$376.12.

Amount of deficit as per financial statement in 1917, \$983.48; in 1918, \$208.02.

Cash on hand and in bank in 1917, \$356.75; in 1918, \$1,159.58.

Subscriptions in cash in 1917, \$623.94; in 1918, \$420.75.

Donations in kind in 1917, value \$130.00; in 1918, \$490.95.

We wish to express our hearty thanks to the Ladies' Hospital Aid which, in the past year, as in former years, has assisted the Hospital so liberally with finances, and also with personal services.

Our thanks are also due to the Kelowna School Club, the Masonic Order, the Oddfellows' Order, and to all the other friends of the Hospital who have contributed to its support. Among these we would specially mention Mr. Osterbauer, who presented the institution with a Liberty Bond value \$50.

Many changes have taken place in the staff during 1918. Miss Millar, our matron at the Hospital for a number of years, resigned on account of health much to our regret, and nearly all the other members of the nursing staff are of recent engagement. We are pleased to state, however, that we have again been fortunate, as all reports received state that the present staff is all that could be desired. The many changes mentioned, together with other causes, have greatly increased the work of the secretary, Mr. G. R. Binger, who has spent much extra time and effort in the endeavor to make and keep our institution a success.

On the whole we believe that in 1918 the object for which this Society exists, viz: the medical relief of the sick, was attained in a capable and efficient manner, and that you will be pleased with the financial result and with our administration of the affairs of your Society during the past year.

D. LECKIE, Chairman.

W. A. PITCAIRN IS NEW PRESIDENT OF B. OF T.

FEELING IS PREVALENT THAT BOARD IS IN GOOD SHAPE TO MEET IMPORTANT PROBLEMS WHICH MAY ARISE DURING THE YEAR.

Members of the Board of Trade are congratulating themselves upon their good fortune in securing Mr. W. A. Pitcairn as their 1918 president. The general feeling is that the coming year will be full of work and possibilities, and that Mr. Pitcairn, with his oft proven capabilities, is one of the few men capable of meeting the circumstances that will undoubtedly arise. Mr. Pitcairn's election to the presidency took place on Tuesday evening, when the Board continued their adjourned annual meeting. Nominations for the presidency resulted in two names being put forward, Mr. P. DuMoulin and Mr. W. A. Pitcairn, the former, however, maintained his previous assertion that he could not accept the position, with the result that an election was avoided and Mr. Pitcairn was unanimously declared president amid the loudest acclamation. Eleven names were read to the meeting as suggestions for the members of the new executive. As no other nominations were forthcoming, these men were all declared elected to form the Board's council; they were Messrs. P. DuMoulin, L. V. Rogers, T. S. Ruffell, F. W. Groves, M. Heron, F. Buckland, G. Meikle, J. B. Knowles, H. J. Hewetson, H. F. Rees and P. P. Woodbridge. Mr. N. D. McTavish was again appointed secretary.

The first business brought forward was a proposal from Mr. W. Crawford that the secretary's salary be raised from \$10.00 a month to some figure to be arranged by the executive. Mr. Crawford suggested \$25.00. Six new members were proposed by Mr. Crawford and accepted into the membership of the Board, they were Messrs. A. E. Hill, J. Inglis, J. Rowcliffe, D. H. Rattenbury, R. E. Denison and J. W. B. Browne. A vote of thanks was tendered to Mr. W. Crawford for his valuable services during the past week, both in obtaining new members and in collecting past dues. Mr. J. B. Knowles gave notice of motion that he intended to bring forward a motion to the effect that in future nominations for officers and members of the executive be made by a committee who would present them to the Board at the annual meeting.

Mayor Sutherland announced that he had received a letter from Mr. Patullo, the minister of lands, with reference to the loan which the Dominion government is making under a Housing Scheme for Returned Soldiers. The total loan for the Dominion is to be \$25,000,000, of which B.C.'s share is \$1,250,000. It is proposed to distribute this amongst municipalities according to population. Kelowna's share was set at \$7,500, and the City would have to guarantee repayment with interest at 5 per cent. Mayor Sutherland pointed out that the arrangement was against the upper country where municipalities were unorganized, and gave as an example the case of South Vancouver which would get \$74,000, while the whole of the dry belt from the Grand Trunk to the Boundary got only \$77,000. He called upon the Board for advice and suggestions, but they appeared willing to leave it in his hands. The general feeling seemed to be that with such a small amount it would be better to construct a recreation room with sleeping quarters for returned soldiers than to build just two or three houses.

Continuing with general business, Mr. Wynn Price called attention to the fact that no water was provided in the C.P.R. corral at the barge slip. This matter was left to the executive to take action. Mr. L. V. Rogers moved that the Board should endorse a resolution from the Good Roads' Association requesting the government to authorize work to be done on the main roads leading into Kelowna while men and teams were available. The meeting also decided to submit a new resolution to the Dominion government asking for a new post office. Mr. Pitcairn called attention to the need of a card at the Post Office notifying as to dates of outgoing mails. Mr. Grote Stirling urged that the matter of completing the road between Kelowna and Carmi be taken up again.

In addressing the members of the Board, the new president reminded them that he had been president before, though several years ago. He urged them to bring forward the little

things, as they were often just as important as the big things and were more frequently accomplished. He thought that much might be done at home by the Board's members instead of leaving everything to the authorities, and urged a regular attendance and many speakers, which would at least make the meetings interesting. At an executive meeting held the same evening, the president postponed the formation of committees until he could better ascertain the capabilities of the members.

LOCAL PATRIOTIC FUND MAKES RECORD FIGURES

Paid Out \$13,368 During Year 1918

A report showing the contributions to the local branch of the Canadian Patriotic Fund for the past four months has just been issued by the secretary, Mr. J. R. Beale, and it is gratifying to note the steady method in which, in spite of the close of hostilities and expected early return of men, donations are being maintained. Indeed, during the past year, Kelowna has done much better than the committee expected and the figures show a new record for the district. The Fund started the year with a balance on hand of \$503.03, and during the twelve months which ended December 31, this was raised by \$5,513.05, all of which was donated in the customary voluntary manner or raised by entertainment. Of this sum, \$5,266.00 was remitted to the Provincial Headquarters at Victoria, in return for which Kelowna received no less than \$13,368.89, all of which was paid out here to dependents. Of these cheques paid out, \$12.50 was returned to the local secretary and remitted to Victoria again. The general expenses of the year for handling these big figures came to only \$103.10, of which printing formed the largest item. The debit side of the balance sheet also shows outstanding cheques amounting to \$15.40, while the credit side gives the cash balance at bank and in office as \$662.88.

In making a comparison of these figures with those of the previous year, 1917, it is found that \$2,934.00 less has been disbursed, while \$419.00 more has been subscribed. Reviewing past figures, it is interesting to note that in 1915, \$421.28 was raised by public subscriptions, \$3,170.58 in 1916, and \$5,094.11 in 1917. To date, Kelowna has received from the provincial branch \$43,742.86, and has subscribed \$14,199.62. The number of beneficiaries has decreased and now stands at 136, of whom 94 are minors. The average grant per family of 3.24 units is now \$28.19.

The secretary of the Kelowna branch expresses the hope that public support will be maintained until the end of March, when it is hoped that sufficient money will be in hand to preserve the voluntary character of the Fund until its services cease.

B.C. FRUIT-GROWERS ELECT OFFICERS AND DIRECTORS

L. E. Taylor Is Vice-President.

At the annual convention of the B. C. Fruit Growers' Association held last week at Penticton, the following were elected to represent the Kelowna district on the new directorate: Vernon, T. J. Mutrie, of Vernon; Coldstream, W. F. Laidman, of Vernon; Oyama-Okanagan Centre, E. Trask, of Oyama; North Kelowna, L. E. Taylor, of Kelowna; South Kelowna, E. M. Carruthers, of Kelowna; Westbank-Peachland, T. Powell, of Peachland; Summerland-Naramata, R. V. Augur, of Summerland; Penticton-Kaledon, A. H. Huntley, of Penticton.

The directors afterwards met and selected the following executive: President, C. E. Barnes, Walhachin (re-elected); vice-president, L. E. Taylor, Kelowna; secretary-treasurer, A. M. Clement, Vancouver (re-elected); executive, Thos. Abriel, Nakusp; W. E. Chapple, Armstrong; R. M. Palmer, Cowichan Bay, and R. F. Laidman, Vernon.

Many Soldiers Get Warm Welcome Home

Men Who Returned on "Olympic" and "Aala" Reach Kelowna

Many soldiers have returned during the past week and still many more, we are told, are on the way. Six returned last Thursday, they were: C.Q.M.S. J. L. Macready, L.-Corp. Brown, Ptes. B. Campbell, G. Langills, L. Haynes and Patterson. Most of these men left here with the 172nd Batt. C.Q.M.S. Macready, who transferred to the 47th, reached France early in 1917, but six months later he was forced to return to England on account of trench fever. L.-Corp. Brown enlisted with the 62nd from Vancouver in January, 1916. He did good work until May, 1918, when a gun-shot wound in the right knee sent him to hospital in England to undergo a long course of treatment. "Bobbie" Campbell kept going until last August, when rheumatism sent him back to England and hospital. Langille went over as a cyclist, later changing to a machine gun section, but after three months in France diptheria sent him back to "blighty." The men who travelled by the "Empress of Asia" via the Panama Canal, and who reached here Tuesday, included Corp. R. F. Minns, L.-Corp. Roy Haug, Ptes. G. Grant, P. Conroy, A. J. Clark and Fazan. Corp. Minns was wounded in the arm near Lens in October, 1917, since which time he has been instructing in musketry. Haug, who transferred to the 72nd, was wounded by shrapnel in the right side in August last at Amiens. He also fought in the famous Paschendaele battle, as well as at Avion. Grant, who used to work for M. Hereron, went over with the 29th. He was wounded in the hand and later had the misfortune to break his ankle.

In addition to these men, Clifford Scott, Tom Akeroyd and Bert Treadgold have recently returned to Canada, but have remained at Vancouver. B. Smith, brother of J. Smith, of East Kelowna, also reached here on Tuesday. He was twice wounded in France.

Want Roads Fixed Now Instead of in Summer

The Kelowna Good Roads or Automobile Association celebrated its first birthday last week in the form of an annual general meeting, at which Mr. F. Buckland, the retiring president, reviewed the past year's work. Amongst the resolutions passed was one calling for a free ferry, but the resolution which created most interest was one asking the provincial government to do repair work on roads in the Kelowna district immediately instead of leaving it until the summer. This suggestion was brought forward by Mr. L. V. Rogers who pointed out that it would be directly beneficial to farmers to get this work done at a season of the year when men and teams were available, instead of leaving it until all were busy and labor was scarce. It was pointed out that the roads had been badly cut up by the heavy tonnage brought over them last fall and needed early repair, and also that gravel could be obtained from Mission Creek which would assist in clearing the creek bed and lessen the likelihood of future flooding. The suggestion appealed strongly to the meeting, and, feeling that if some adequate representation could be made to the government and the district's needs personally presented, the matter of sending a delegate to Victoria to lay the case before the government was discussed. It was decided to take such action if it should be found necessary.

The secretary was instructed to write to the Vancouver Automobile Association telling them that Kelowna would co-operate with them in trying to secure legislation forbidding glaring head-lights on cars. The meeting, however, did not support a resolution calling for legislation to make all vehicles carry lights after dark.

The election of officers resulted in Mr. J. D. Williams becoming president, Mr. D. H. Rattenbury, vice-president; Mr. L. V. Rogers, secretary; with an executive comprised of Messrs. P. DuMoulin, F. Buckland, M. Hereron, E. C. Graham, E. M. Carruthers, R. Sweny and A. L. Soames.

MR. P. DUMOULIN IS NEW HOSPITAL PRESIDENT

Annual Meeting Decides to Re-Draft By-laws During Year

About eighteen members attended the annual meeting of the Kelowna Hospital Society, held in the Board of Trade room last Friday afternoon. The meeting was late starting owing to another meeting held the same afternoon, but this was fully made up for by the ease with which many of the more formal matters were dispensed with, the financial statement, for example, producing but very few enquiries or comments. The president's report was unanimously accepted. Several amendments to existing by-laws were made during the afternoon. Mr. McKenzie, supported by Mr. P. B. Willits, proposed that an amendment be made to read: "That directors be elected for three years, five to retire each year in order of seniority, but to hold office until their successors are appointed. This was carried. Another one of the changes in the by-laws was brought about by Mr. G. A. Fisher who proposed that the appointment of the treasurer and that his duties be added to those of the secretary. Mr. Willits, seconded by Mr. W. Haug, headed a resolution to the effect that the by-laws be re-drafted and that a special general meeting be held within three months to consider them.

The new directorate nominated at the meeting consisted of: Mr. D. Leckie, Rev. E. D. Braden, Mr. J. W. Jones, M.L.A., Messrs. P. DuMoulin, A. A. Ballard, M. Hereron, E. Murdoch, J. Ball, H. J. Hewetson, W. J. Mantle, Geo. McKenzie, W. Haug, G. A. Fisher, H. Burtch and N. D. McTavish.

At the directors' meeting which followed a vote of thanks was passed to the retiring president for the work he had done during the year, and a vote of thanks was similarly tendered to Crehan, Mouat & Co., for their services as auditors for 1918. In the election for officers, Mr. P. DuMoulin was chosen as president, with Mr. G. McKenzie as vice-president. Mr. G. R. Binger was appointed secretary, and Messrs. Crehan, Mouat & Co. were appointed auditors. For the executive, Messrs. A. A. Ballard and W. G. Mantle were elected. The Rev. E. D. Braden, with Mr. H. J. Hewetson, were appointed members of the Visiting Committee for three months.

OBJECTIVE WAS PASSED IN RED CROSS DRIVE

Kelowna District Raises \$2,176.75

The officers in charge of the recent Red Cross Drive in the city and district desire to present the following statement of the various amounts received. In view of the short notice given and the lack of opportunity for publicity work owing to "flu" conditions the results of the campaign are most gratifying. The amount asked for was two thousand dollars. As usual, Kelowna has gone beyond her objective. The committee desire to express their appreciation of the work of the canvassers and of the ready co-operation of the people of the district.

E. D. BRADEN, Chairman, L. V. ROGERS, Secretary, J. A. FORSTER, Treasurer. Miss A. M. Hunter, \$21.00; Mrs. Knowles and Mrs. Perry, \$73.25; Mrs. Cameron and Mrs. Temple, \$91.40; Benoulin Red Cross, \$150.00; Miss D. Day, \$24.00; Miss E. M. Glenn, \$139.85; Mrs. Richards and Mrs. Butler, \$118.30; Misses J. McMillan and P. W. Raymer, \$140.15; Miss I. E. Hewetson, \$63.26; Mrs. J. N. Thompson, \$18.90; Misses A. E. Vernier and B. Geen, \$67.00; Mrs. Davies, \$45.50; Misses Whitehead, \$31.75; Miss Dykes and Mrs. H. J. Hewetson, \$72.50; Miss M. Cooper, \$26.90; Mrs. A. Gray, \$104.00; Rutland School Concert, \$33.80; Mrs. B. Hardie, \$57.14; Miss M. Ferrier, \$23.50; Mrs. Walter Reinfrew, Okanagan Mission, \$112.00; Miss Z. Monford, \$79.25; Misses Moubay and Caldwell, \$64.05; East Kelowna Red Cross, \$500.00; A. H. Caesar, Victory Loan commissions, \$101.25; Lucy Macfarlane, Okanagan Centre, \$18.00. Total, \$2,176.75.

Nearly 200,000 men are out on strike in the United Kingdom and the situation is looked upon as one of the most serious for many years. The infection is said to be still spreading and the extent to which it may run cannot be guessed at.

BIBLE CONVENTION IN
KELOWNA NEXT WEEK

A Convention of a special nature has been arranged and will be held in the Baptist Church. Kelowna people are most fortunate in being able to secure the services of the Rev. Howard W. Kellogg, M.A., D.D., of Los Angeles, who will open two weeks' series of Bible Conference meetings on Sunday next, February 2, by preaching morning and evening in the Baptist Church.

Rev. Dr. Kellogg for some years conducted the Bureau of Bible Teaching at the Green Lake Bible Institute in Wisconsin, also serving as pastor in two churches in that State. For the past eight years he has occupied the Chair of Biblical Literature in the Occidental College, Los Angeles. He is now giving his time to Bible Conference work in British Columbia.

Of an appealing personality, and with a strong, forceful platform as bible teacher and evangelist, clear on the dispensations and fundamentals, Rev. Dr. Kellogg ranks with Dr. Torrey and Dr. Leon Tucker of New York, with whom he has been associated in past years.

Meetings have been arranged for every afternoon at 3 p.m., and every evening at 8 p.m., the Conference beginning on Sunday next, morning service 11 a.m., and evening service 7:30 p.m.

Rev. W. Arnold Bennett, pastor of the Baptist Church, appeals to all people desirous of knowing more of Bible Truth, concerning the days we live in, and the approaching end of the age, to make certain that they secure a seat in the Conference. Seats are free, and there is a welcome for all.

School Column

By JAMES GORDON, Principal.

It gives one a fine sensation to feel that the school is growing more and more towards an ideal. Each year sees some new part of the edifice placed in position. Last year saw some improvement in the library and museum. This year the school board is paying more attention to the playground. And already a start has been made in providing more suitable apparatus for games. Swings are to be erected for the primary pupils. Basket-ball for the girls and foot-ball for the boys will complete the equipment for this year. A shed for bicycles is being constructed.

There is one part of our school, however, that has been sadly neglected during the war and that is our assembly hall. We cannot use it scarcely. It costs us about seven dollars to rent chairs and pay for draying; and we have to go to no end of fuss and trouble for even the simplest public entertainment such as a lecture. There is no doubt that the assembly hall could be made a fine educational institution in Kelowna if it were properly fitted up and the floor made sound proof. We want a roomy stage for drills, etc., and a first-class projectoscope. And I would suggest to the citizens of Kelowna that the fitting up of that assembly hall as a memorial hall for the brave men who have fallen in an entirely worthy and suitable object and would be continually before the minds of the rising generation. I wish the ladies of Kelowna would consider such a scheme.

Correspondence

The Editor, Kelowna Courier:

Sir,—As some misunderstanding has arisen regarding the item of "Mr. Bond, Rutland, \$25.00," in the report of the East Kelowna Red Cross published last week, we feel that an explanation is due. Mr. Bond kindly offered to turn over his share of commission in selling Victory Loans with Mr. Carruthers to the Red Cross Society, his share to be given to the Rutland branch. The East Kelowna ladies decided to borrow \$25.00 from Mr. Bond and, together with Mr. Carruthers' donation, purchase a \$50 Victory Bond and raffle it. The report makes it appear that Mr. Bond was given a direct donation from the East Kelowna branch of \$25, which was not the case, as the item mentioned in the balance sheet merely showed the return of the money which he had kindly left.

EAST KELOWNA RED
CROSS SOCIETY.THE "THRIFT MAGAZINE"
MAKES ITS APPEARANCE

The first number of the Thrift Magazine, published under the direction of the National War Savings Committee, has made its appearance. It is edited by Mr. W. J. Dunlop, B.A., director of the schools section of the W.S.S. organization, who is also editor of The School. The especial purpose of this publication is to further the War Savings and Thrift Stamps movement among the schools of the Dominion. Ten numbers are to be published by June, the intention being to bring them out at fortnightly intervals. The Thrift Magazine is supplied free to every teacher in Canada and may be had on application to the office of publication, 371 Bloor Street West, Toronto. Pupils, school inspectors, public libraries and persons generally interested in thrift education may also receive the Magazine by applying to this address.

Snowdrops blossoming in January in Kelowna is a somewhat unique event; yet this is what is happening in the garden of Mrs. P. DuMoulin, indeed, on Monday, Mrs. DuMoulin left one of the little Spring messengers at the Courier Office, where, in spite of the depressing effects of printers' ink and gasoline, it steadfastly declared that springtime was at hand and that the earth would soon be a particularly bright and pleasant place again with peace reigning once more.
